TECHNOLOGY TO ENJOY

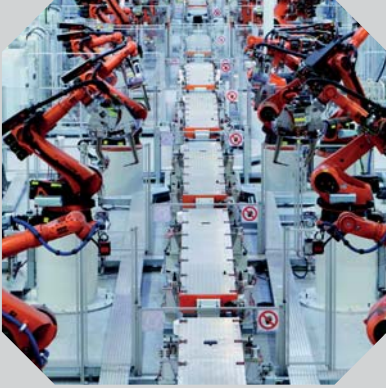

INSIDE SEAT

In 1953, with the very first SEAT, the dreams of one country started to move forward. Today, more than 60 years later, our technology has evolved with a very focused aim: to make beautiful things happen every day in the world...

Engineers get inspiration from all they see and experience. SEAT is inspired by Barcelona, where design goes through the essence of beauty. And we combine our design, with the top technology and quality standards of The Volkswagen Group.

Our history is built by the stories of millions of people. And we will always be driven by our customers, because all that we want to do is to provide technology to be enjoyed by you.

## SEAT TOLEDO

Full of the joys  
of family life.

**SPENDING TIME WITH FAMILY IS SOMETHING WE ALL TREASURE** and having the ability to turn any idea into an adventure makes it all the more exciting. The SEAT Toledo comes equipped with everything you need to enjoy anything that may spring to mind. If you're going to the beach for the day or even just spending an afternoon shopping, with the latest technology and space to keep everyone content, the SEAT Toledo is the perfect place to start all your outings. And with the best comfort, safety features and an impeccable design, you can guarantee everyday will be an adventure.

## SE ADVANCED

Little  
luxuries.

**IF YOU'RE LOOKING FOR EVEN MORE LUXURY AND COMFORT** from the SEAT Toledo the SE Advanced trim comes with a KESSY Keyless Access System and Ambient Lighting to help the driver effortlessly enjoy the drive. There is also a Tiredness Recognition System and Multicollision Braking System to enhance safety for the whole family.

INTERIOR DESIGN

In your  
comfort zone.

**INSIDE, THE SEAT TOLEDO HAS BEEN DESIGNED WITH COMFORT IN MIND.**  
It's difficult to keep all your passengers happy on long journeys but the SEAT Toledo will make this easier than ever. As soon as anyone steps inside, the feeling of quality is enough to put them in a great mood, and just maybe the beautifully Alcantara upholstered seats have something to do with that. What's more, the Media System Plus has been perfectly integrated into the dashboard and can be controlled by the leather Multifunctional Steering Wheel, meaning the driver has easy access to all the entertainment features without distraction.

## ROOMINESS

Room for all.

**SOMETIMES THERE HAS TO BE SOME GIVE AND TAKE WHEN IT COMES TO FAMILY,** but you can rest assured that with the SEAT Toledo there are no compromises. With elegant design comes spaciousness and comfort. This is a car that brings the perfect combination of roominess and sophistication to family cars. You will no longer have to worry about ensuring everyone has room to stretch their legs and when it comes to packing in everything you need, with 550 litres of boot space, this shouldn't be a problem.

## TECHNOLOGY & CONNECTIVITY

### The modern family.

**THE SEAT TOLEDO IS PACKED WITH THE LATEST TECHNOLOGY.** From front and rear Parking Sensors and a Rear View Camera that make parking and reversing safer and easier, to the Full Link Technology that brings connectivity to the road in a whole new way.

As safety is a top priority in any family car, the SEAT Toledo also comes with all the technology needed to keep those closest to you safe. Front Assist helps reduce the chance of a collision with cars travelling in front and with the Multicollision braking System, in the unlikely event of an accident, it will help prevent follow on incidents by automatically applying the brakes. What's more, the Tiredness Recognition System monitors driver movements and alerts you when it's time to take a break.

## EFFICIENCY & PERFORMANCE

More miles,  
less emissions.

**THE SEAT TOLEDO COMES WITH A 90 HP ENGINE** with a maximum speed of 185 km/h meaning it offers enough pulling power for your family adventures. What's more it has fuel emissions of just 94g of CO<sub>2</sub> per Km, meaning no matter how far you're travelling, you can feel good about it.

**SEAT TOLEDO**

A car for all occasions.

The New SEAT Toledo is the best combination of understated elegance and versatility. It is packed with technology but still leaves space for comfort and little luxuries. So whether leisure time for you means taking the family on an adventure or spending the day shopping, the Toledo is the perfect fit or both, and everything in between.

**SAFETY FIRST.**  
A maximum 5-star Euro NCAP (For detailed information go to [www.euroncap.com](http://www.euroncap.com)) safety rating and the most advanced safety features proves it's one of the safest cars in it's class.

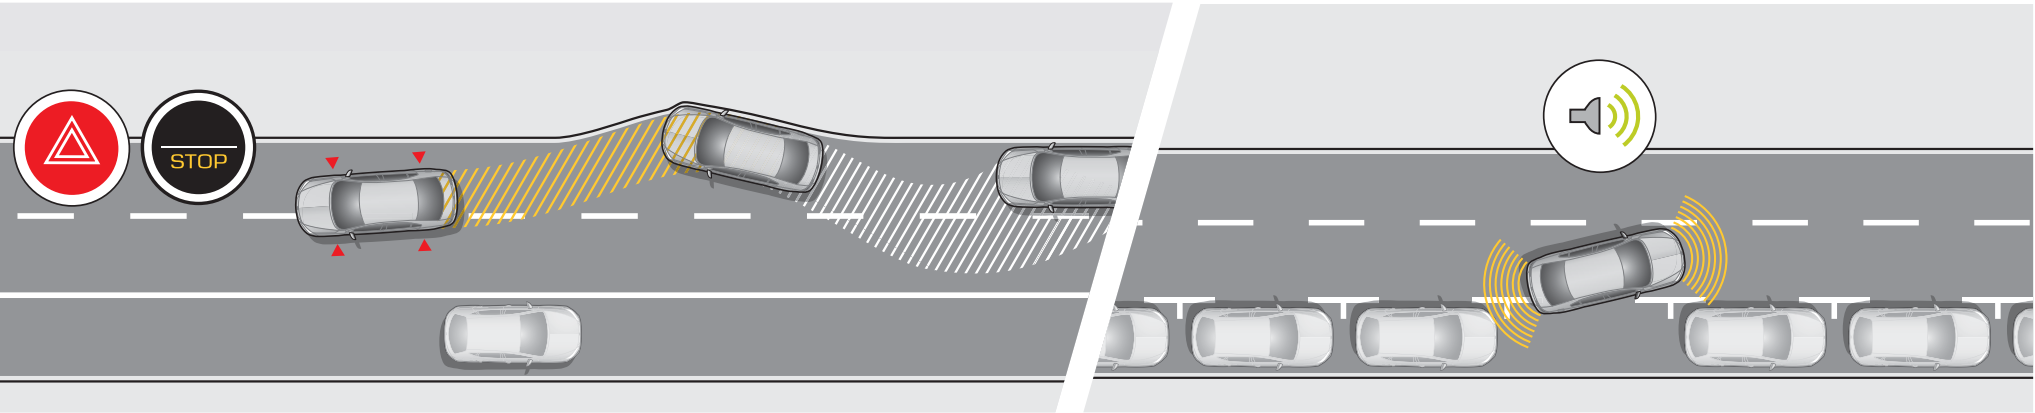

TECHNICAL DATA

Safety

**FRONT ASSIST. (Optional)**  
It's great to be on the road, surrounded by friends. And it's even better when you're all surrounded by safety. The SEAT Toledo has front airbags as standard, with curtain and combined head and chest airbags as options.

**KESSY. (Standard in SE-Advanced)**  
The system monitors the behaviour of the driver and when it detects a risk of falling asleep at the wheel, sending both a visual and an acoustic warning.

**MULTI COLLISION BRAKING SYSTEM.**  
In the unlikely case of an accident, this system brakes the car avoiding or reducing the impact of subsequent collisions.

**REAR VIEW CAMERA.(Optional)**  
Located in the rear bumper, the camera will show you what the rear view mirrors can't, making backing-up or parking in tight spots a kid's game.

SEAT SERVICE

Inspection & Maintenance.

AT SEAT SERVICE, WE OFFER COMPREHENSIVE INSPECTIONS BY SKILLED PROFESSIONALS BASED ON THE AGE AND MILEAGE OF YOUR CAR. You'll be assured that your vehicle is in optimal condition, as our professionals perform all the services included in the SEAT Maintenance Programme – using only SEAT Genuine parts.

Benefit from warranty conditions for longer.

SEAT WARRANTY EXTENSION

A SEAT Warranty Extension lets you extend your 3 year manufacturer's warranty for **1 or 2 years under the same great conditions.** As there are no middlemen, you can continue to benefit from **expert care by SEAT professionals** and enjoy the road for longer.

The warranty extension is available only for new cars (all models, engines and versions).

A broad range of services available 24h/365d.

SEAT SERVICE MOBILITY

SEAT SERVICE Mobility is SEAT's roadside assistance service. It's **automatically obtained upon purchasing a new SEAT and lasts for a full 2 years after purchase.** You can extend the service annually for up to 10 years provided you carry out all prescribed inspection services at our Authorized SEAT SERVICE Network. Fees for additional years are added to the Inspection Service price.

A wide range of features are included, from assistance via telephone and on-the-spot repair to towing, fuel refill, and more. **SEAT SERVICE Mobility is available everywhere in the European Union, as well as most neighbouring countries.** For the full list of services and countries, visit [www.seat.country/SERVICE](http://www.seat.country/SERVICE).

Enjoy years of peace of mind.

SEAT SERVICE & MAINTENANCE CONTRACTS

SEAT Service & Maintenance Contracts include **services and maintenance for the first three, four or five years of the life of your vehicle with different mileage options.** They cover most of the services included in the SEAT Maintenance Programme, ensuring **reliability and safety for the lifetime of your car.** If you choose to finance your new car purchase, you can add a SEAT Service & Maintenance Contract and either pay a fixed monthly instalment or make a one-time payment.

**Flexible and economical,** our Contracts are available in Basic and Premium versions to adapt to all budgets and needs.

Have your car serviced at any authorised SEAT dealer and forget about unexpected repair bills!

10 REASONS

Ten out of ten.

THERE ARE MANY REASONS to choose the SEAT Toledo and here are just ten of them!

1 **Room for All**  
No matter what kind of a family you have or what things you like to do in your spare time, you can take pleasure in the fact that with 550 litres of boot space, the SEAT Toledo has enough room to cater to almost anything.

2 **Comfort and Convenience**  
The interior of the SEAT Toledo has been ergonomically designed to offer comfort to the driver and all the passengers. Comfort and convenience extend outside the car in the form of KESY Keyless Access, allowing you to open the car door without even taking the keys from your pocket.

3 **Elegant Design**  
The inside and out have both been finished to the highest of standards with only the best materials to ensure a sophisticated overall look. The Full LEDs also add some elegance to the front and rear of the car.

4 **Smarter Safe and Comfort**  
For a family car, the SEAT Toledo really is in a higher class when it comes to technology. With safety enhancing features such as Tiredness Recognition and a Rear View Camera, state of the art technology helps keep everyone safe and happy.

5 **Feeling Good**  
Every little detail inside helps to give a feeling of elegance and comfort. The decorative dashboard mouldings show the passion that's gone into the finishing touches and the Alcantara upholstered seats offer quality that not only feels great but also can take all the thrills and spills of family life.

6 **Family Spirit**  
There something about spending time with family that makes everyone happier, even if there can be some disagreements. With all the space and everything you need to do whatever comes to mind, the SEAT Toledo is the perfect car to take on any family outing.

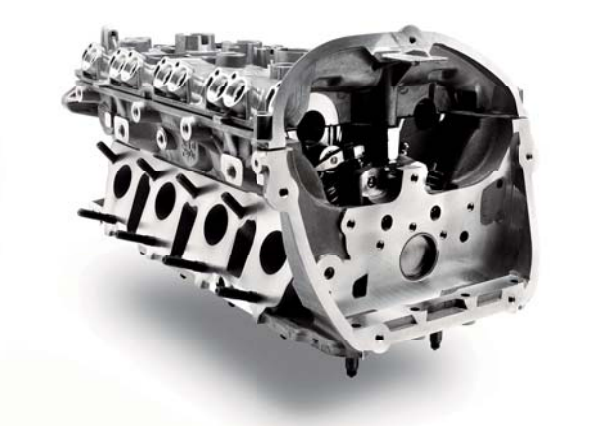

7 **Safe**  
The Multicollision Braking System will automatically apply the brakes in the unlikely event of a collision to avoid any follow on collisions and Front Assist technology ensure your car remains a safe distance from any vehicles in front.

8 **Close Connections**  
A modern family is a connected family and that's why the SEAT Toledo comes with the latest Full Link Technology. This allows you to safely bring the smartphone experience into the car keep in touch with your loved ones no matter where you are.

9 **Family value**  
In the SEAT Toledo you don't just get what you pay for but a whole lot more. With a superior finish using only the best materials, and the latest in safety, entertainment and connectivity technologies you can guarantee that happiness for all passengers is also thrown in for free.

10 **Feel Good Efficiency**  
The available engines for the SEAT Toledo all achieve the Eu6 emissions standards. So whether you're dropping the kids off at school or you're going for a weekend away, you can take comfort in the fact you're doing it in a greener car.

**SEAT** is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised SEAT Partner for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. This vehicle and all its parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality.
