Optional extras may have an effect on the CO2 and Fuel Economy and weight figures. Information in this guide is subject to change without notice. Vehicles listed above have been converted to an N1 commercial vehicle from M1 passenger vehicles using the National Small Series Type Approval Process (NSSTA). For more information please contact your local dealer or SEAT representative. Information correct as of 27.11.2020. Subject to change.

*CO2 information is based on current rules regarding conversions in Ireland. As such the value shown is defaulted to combined VH WLTP figure. Subject to change.
