

# Protect the value of your SEAT.

Who says you can't buy peace of mind? **SEAT CARE** keeps your new car as good as new. All your services and scheduled maintenance are covered, including pollen filters, air filter and brake fluid replacement. What's more, our expert technicians and specialist tooling will ensure your SEAT runs exactly as it should.

With the added protection that comes with only ever using genuine SEAT parts, you're ensured performance and durability. Plus, because all work is carried out to exacting SEAT standards, you're protecting the future value of your car with every service.

# Freedom. Now and later.

SEAT CARE makes budgeting much easier. You pay one easy monthly fee that takes care of everything. It means you can spread the cost of your servicing. Plus SEAT CARE is transferable. If you decide to upgrade your SEAT but your contract isn't complete, no problem. You can bring your SEAT CARE with you.

When it comes to trading up or selling, you'll be glad you had SEAT CARE too. Because you've given your car all the expert attention it needs throughout your SEAT journey, it'll be worth more. That means a greater trade in value or a quicker sale.

# Wherever the drive takes you.

With SEAT CARE, you can enjoy every moment behind the wheel worry-free. That's driving as it should be.

**To add SEAT CARE to your next SEAT, talk to your local SEAT retailer or visit [www.seat.ie](http://www.seat.ie)**
