# Men's **SEAT Basic T-Shirt**

The fact that the basic t-shirt is a main staple of your wardrobe doesn't mean that just any one will do. Ours is made of cotton and LYCRA® so it feels great on you. Only available in the colours that suit you best!

# Men's **SEAT High Quality T-Shirt**

When a t-shirt becomes your favourite garment, only you know why. Made of 100% cotton and available in those colours that go well with anything. What else could you ask for?

# Men's **SEAT T-Shirt with Pocket**

Why don't you spruce up the ordinary? The coloured pocket adds an original touch to the t-shirt and highlights the outline of our logo. And not only is it different on the outside, it's made of organic cotton, so that when you put it on, you will love it on the inside, too.

# Men's **SEAT Polo Short Sleeve**

There must be a reason why it's the uniform of the most elegant athletes. This fine pique SEAT polo is of high quality, and it will be appropriate in any situation, even when all you are looking for is to be comfortable. It bears a white logo and is available in three colours.

# Men's **SEAT Polo** **Long Sleeve**

Let's look at the bright side ... the cold weather gives you more options for choosing your outfit. And this high quality, long sleeve fine piqué SEAT polo will always be an elegant option in your wardrobe.

# Men's **SEAT Polar Jacket**

Some say that feeling cold is psychological. Especially if you are sporting this SEAT polar jacket made of 100% micropolar polyester with anti-pilling treatment so it always looks brand new. It bears a discreet logo in white on the left chest, a zip closure and two side pockets.

# Men's **SEAT** **Hoodie**

Not many garments make you feel as good as a sweatshirt does. Especially the one from SEAT made of 80% cotton and 20% polyester with a two colour hood and a logo in white on the left chest. To make it even better, it's got a kangaroo pocket with headphone access and a ribbed finish in the cuffs and hem.

# Men's **SEAT Softshell Jacket**

The weather can fail you, but not your plans. This quality SEAT jacket will protect you, keeping you warm and dry wherever you may be. Its three-layer heat-bonded fabric is breathable and waterproof up to 8000 mm. Apart from its discreet SEAT logo in white on the left chest, it has a zip closure, as well as two side pockets and a third on the left sleeve.

# Men's **SEAT Winter Jacket**

With your SEAT winter jacket, the arrival of cold weather will seem like an irresistible idea. Made of a high quality softshell fabric with a triple layer that both breathes and keeps moisture out, this jacket includes micropolar fabric for its lining, a reflective stripe on the back and convenient zip pockets.

# SEAT Cap

Show that you belong to the SEAT team with this attractive cap. The colour you choose doesn't matter. You'll see the horizon more clearly with any one of them. It's got an adjustable back closure with a matte silver metal buckle and a visor with white trim.

# Women's **SEAT Basic T-Shirt**

The fact that the basic t-shirt is a main staple of your wardrobe doesn't mean that just any one will do. Ours is made of cotton and LYCRA® so it feels great on you. Only available in the colours that suit you best!

# SEAT XIAOMI Smart Watch

Feel how technology becomes a part of you. With this XIAOMI smart watch your smartphone will always be connected to your wrist without you even noticing. Receive phone calls and app notifications and enjoy its touch screen, its 16 MB memory, USB charger and enough battery for about twenty days - enough to feel free from any restraints. And it's compatible with both ANDROID and iOS.

# SEAT Speaker

Every moment has its soundtrack to accompany you. With this speaker, which includes a built-in microphone, bluetooth system, autonomy of up to two hours, call answering function, volume control and connection to the playlists on your mobile device, the music will always be by your side. The microphone and USB cable is included.

# SEAT Aluminium Power Bank

If you are one of those people that hates to leave a conversation unfinished, this is for you. This SEAT aluminium external battery of 4000 mAh of power will allow you to extend the battery of your phone at any time. It includes a micro USB cable and is available in three colours with our engraved logo.

# SEAT Rubber Card Holder

A cell phone is no longer just a telephone. It's our friends, the photos of a holiday, the music we listen to, what we read. This SEAT phone card holder will take care of all those things you care so much about. Includes an adhesive tape to adhere it to the back of your phone.

# SEAT Hub with Four USB Port

All devices deserve to have a USB port available. With this four USB port hub you will never have to choose which device gets left out. It also has a 14,5 cm cable and boasts an elegant design in black aluminium with the logo engraved on the back in white.

# SEAT Wireless Portable Battery

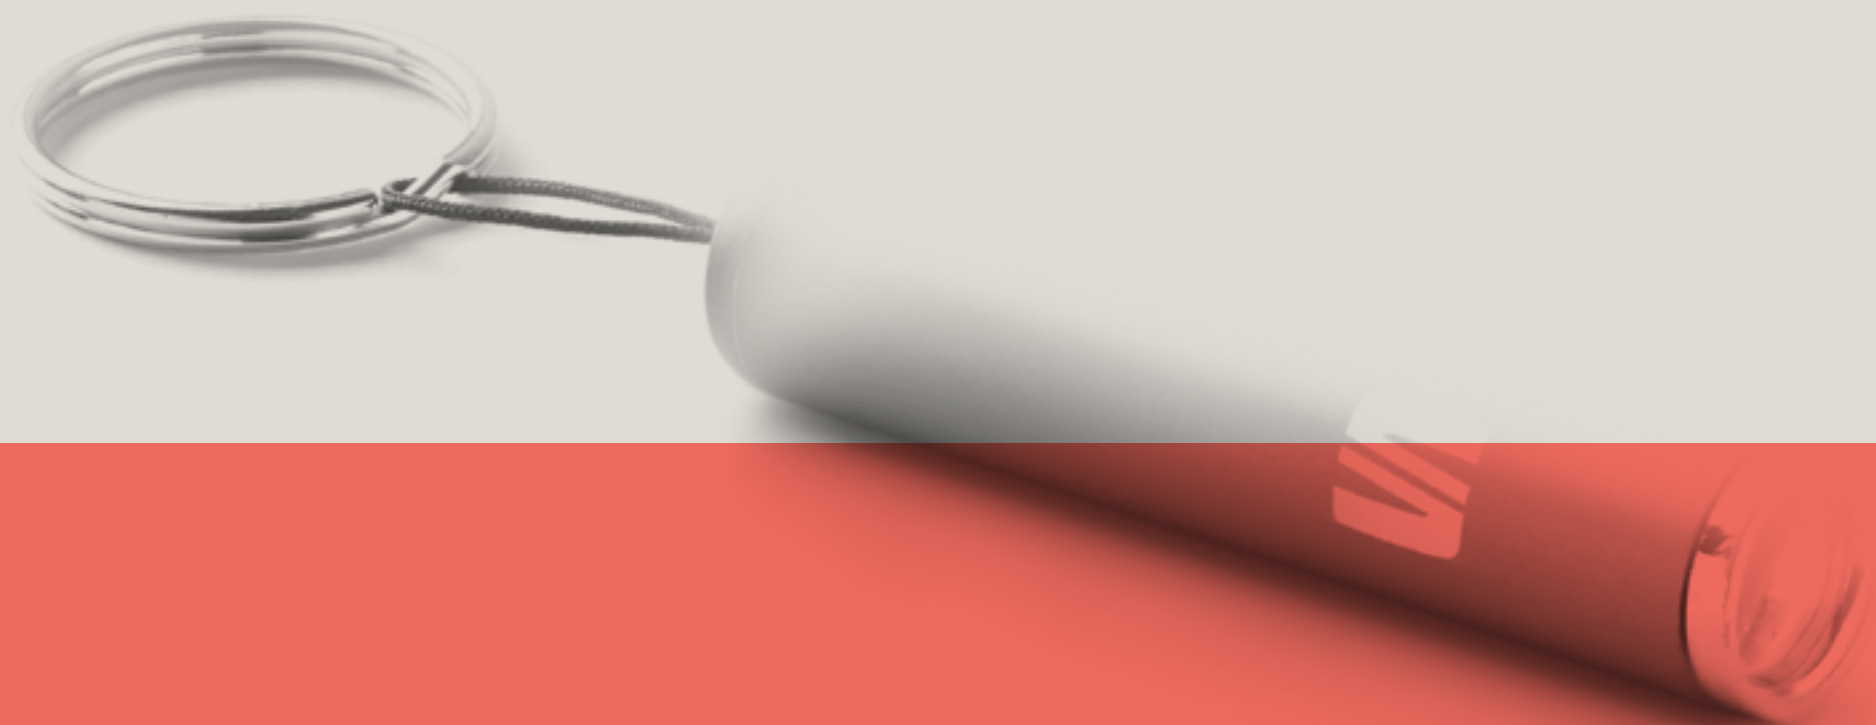

With this powerful SEAT 10.000 mAh external battery featuring a rubber finish and a duration of more or less 500 cycles, you will always have power to keep going. It has charging indicators, USB, micro USB and USB type C ports and includes a USB and micro USB cable to charge the battery. It's also compatible with smartphones that have wireless charging technology.

# SEAT Travel Plug with USB Charger

We human beings will always be able to connect with each other using our gestures, but machines require their own personal plug. This travel adapter is compatible in more than 100 countries and includes a USB charger.

# SEAT Mini Lantern

Sometimes a little ray of light can change everything. This LED bulb torch with an attached key ring will be of help when you least expect it. Includes three AG3 batteries and a LED light to illuminate the engraved logo. With reduced dimensions 1,3 x 6,5 cm is optimal as a keyholder.

# SEAT Portable Power Bank

There are pocket batteries with dimensions 2,2 x 9,4 x 2,2 cm. The SEAT 2200 mAh power bank will always provide you with extra power to stay connected. It has LED load indicators and a micro USB cable and is available in six attractive colours with our logo.

# SEAT USB

The safest place for your documents is with you. These small 16 GB USB flash drives are a great solution. They come in an attractive array of colours so they never get lost, plus they include a swivel mechanism, a smooth, shiny metallic finish and our logo.

# SEAT Laptop Backpack

You can be your very best no matter where you might find yourself. And this special laptop backpack will make sure of it. It's got two padded compartments on the inside to protect a laptop of up to 17" plus a tablet of 10.5", as well as a rear compartment with various interior pockets and a lined space, ideal for packing clothes.

# SEAT Urban Backpack

The city is full of interesting things to do. You just need to always be ready for any of them with this SEAT backpack. Made of 85% polyester and 15% cotton, it also has a reflective layer for greater visibility, a roller closure, an outside secret pocket with a zipper and adjustable padded handles, as well as a capacity of 15 litres.

# SEAT Waterproof Bag

You don't have to stay at home to feel safe. Put all your important things inside this black waterproof bag bearing our logo in black and go about your business. Everything will remain as dry as it was when you placed it in the bag. And it has a capacity of 20 litres.

# SEAT Cotton Bag

Comfortable, practical and ecological made in 100% cotton with dimensions 36 x 41 cm. This tote bag has become a staple of modern urban wear. But the colours presented by SEAT are unique and capable of making you stand out, even in the city.

# SEAT Beach Towel

The beach. Probably the preferred getaway plan for the majority of people on the planet. SEAT introduces a colorfull beach towel collection, almost all of them easily found once you leave the water.

Dimensions 160 x 100 cm.

# SEAT Travel Blanket

Everything is better under a travel blanket. This SEAT blanket made of polar fabric will snuggle with you wherever you go. It includes a polyester sleeve and the SEAT Logo embroidered in one corner. Dimensions 120 x 150 cm.

# SEAT Foldable Umbrella

“You’ve got plenty of apps to tell you if it will rain. But some days the safest thing is to take your SEAT umbrella with you. With automatic opening and three sections of 53 cm for folding, this umbrella is designed for your maximum comfort. It also has an ergonomic rubber handle and two elegant logos in black. Open diameter 96 cm, height 60 cm. Folded height 34 cm.”

# SEAT Automatic Umbrella
