# Created in Barcelona

We are SEAT, created in Barcelona. A city alive with music, art and culture, shaped by the diversity of the people who call it home. You can feel it in the energy of its streets, in the joy and openness that fills every encounter in every journey

SEAT is a part of this spirit. Inspired by Barcelona's vitality and lightness, we create cars that bring joy to everyone who experiences them, those who see them, and those who, through driving them, rediscovers the beauty of driving.

## Hello, Rhythm.

Isn't life best when getting around feels as good as your favorite music? When every drive has its own beat. Meeting your favorite people. In your favorite places. Everything just flows. That's the feeling of the SEAT Ibiza.

# SEAT CONNECT.

Want a seamless digital experience? The SEAT Ibiza keeps you constantly connected. Behind the wheel or outside your car. Download the MY SEAT APP and use your smartphone to access vehicle data. Or open MY SEAT APP through the touchscreen to start planning your route or organise your playlist. Now you can locate parking spaces, see real-time traffic maps and get route information to improve your experience even more. Always there, always on. That's what real connectivity means.

## Forget Where You've Parked?

Simply open the My SEAT app and you will be able to easily locate your vehicle in cities or large parking areas.

The GPS coordinates will give you the exact address and you are then able to navigate to it through the easy to use map.

## Is My Car Secure?

For those moments when you're unsure if you've locked your car.

Through the My SEAT app, authorised users can see and control the lock status of the doors and boot.

## When Is My Service due?

You have enough things in your head to have to remember your next car service.

Activate automatic service scheduling and your chosen authorised service partner will contact you as soon as your vehicle detects the need of a service (inspection or relevant warning light).
